Our MiniKickers section for boys and girls aged 4 to 6 is one of the longest-running and successful in the Chippenham area - many of our current under-18s squad started their football journey with this group and are still proudly playing in black and white stripes today!

We're always on the lookout for new recruits (as well as aspiring parent coaches!). We're an award-winning, Charter Standard club and all of our teams are coached by fully-checked FA-qualified coaches. All drills are fun-based and our ethos means players of all abilities are welcome.

Our MiniKickers train on Saturday mornings during term time. Sessions are held outside on grass at Yatton Keynell or Castle Combe, or indoors at Sheldon School depending on the time of year. The first 4 sessions are free as a taster and, after that, children can get a **year's worth of coaching for only £20**

.

For more information please email MiniKickers coach Jamie Harris at minikickers@cccfc.co.uk
